

TruckBoss PackBoxx Fit Guide

Build your perfect setup - matched to your deck length.

Deck Size	Recommended PackBoxx Configurations	Max Combined Length
5' Deck	1.5', 2.0', 2.5' - or a single 3.0' or 4.0' box	Up to ~60"
6' Deck	Mix up to 6.0' total - 3.0'+3.0', 2.0'+4.0', or single 6.0'	Up to 72"
7' Deck	Custom combos like 6.0'+1.0', 2.0'+5.0', etc.	Up to ~84"
8' Deck	Full access - any combo up to 8.0' or single 8.0'	Up to 96"

Quick Notes:

- All PackBoxxes are modular and stackable - build your storage to suit your tools, gear, or mission.
- 8.0' PackBoxx only fits 8' TruckBoss decks - not compatible with shorter setups.
- Combine multiple sizes to maximize flexibility and function.
- Single-door boxes: 1.5', 2.0', 2.5', 3.0', 4.0', 5.0'
- Dual-door boxes: 6.0', 8.0'
